Dear Clara Barton Community,

This morning at approximately 9:05 am, students and staff were evacuated as a faulty sensor triggered our school's fire alarm. Members of the Cherry Hill Fire Department arrived, along with Campus Police Officer, Randy Smith, and District Director of Security, Anthony Saporito. The Fire Department officials inspected the building and found the issue. At approximately 9:25 am, they gave clearance for everyone to return inside. The alarm company is servicing the faulty sensor.

I am thankful to the Cherry Hill Fire Department, Officer Smith, and Mr. Saporito for their quick response. I also would like to thank our students and staff for their quick, calm cooperation in keeping everyone safe. Please feel free to call the main office if you have any questions.

Sincerely,

Sean Sweeney
Principal
